СБЕСТ

SECOND EPISODE:  
**THE FORCE OF  
THE WIND!**

**VIORA**

VIORA IS THE AERIAL SUPPORT OF TEAM ECO. EVEN THOUGH NOT BORN WITH SUPER POWERS, AN EXPERIMENT OF GEO-MAN SAVES HER LIFE, AT THE SAME TIME GIVING HER SOME EXTRA POWERS.

**SOLAR**

SOLAR IS READY AND BRAVE TO FACE ANY DANGER AT ANY TIME. HIS POWER OF CHANNELING THE SOLAR ENERGY WITH THE HELP OF HIS DEVICES, IS SO UNIQUE THAT IT ALLOWS HIM TO CREATE DIFFERENT WEAPONS. TELEPORTING TO A KNOWN LOCATION IS HIS ADVANTAGE, ESPECIALLY WHEN FIGHTING AGAINST VILLAINS.

GEO-MAN IS THE UNOFFICIAL LEADER OF TEAM ECO, THE MAN BEHIND ALL THE INVENTIONS AND THE BRAIN OF ALL THE OPERATIONS. HIS POWERS ARE CONNECTED TO THE EARTH.

**GEO-MAN**

AAAAARRRGGH!

WOW, HE'S UGLY!

I AM SURE YOU ALL REMEMBER **TEAM Eco!**

AAAARGHI

GHAAAARGHI

ARGHI

NOT ONLY ARE THEY UGLY, BUT LOUD AS WELL.

IT'S LIKE MAGMA AND SMOKE HAVING A KID!

**SOLAR**

DO YOU WANT ME TO MAKE YOU A SOLAR S.H.I.E.L.D.?

OR A S.W.O.R.D.?

OR A S.O.C.K.?

AAAAARRGGH!

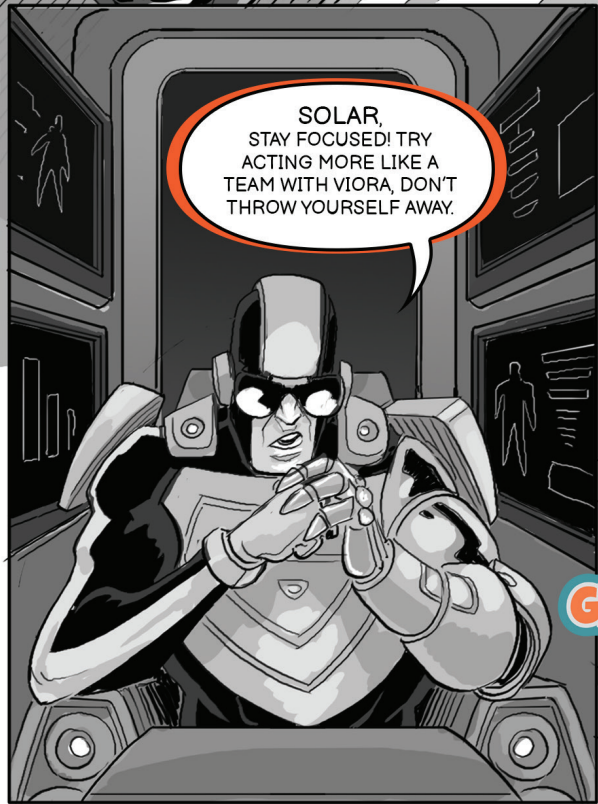

THERE ARE TOO MANY!

I CAN'T... DO... MORE THAN...

THIS...

SLAP!

A LITTLE HELP PLEEEEEEASE...

SOLAR, STAY FOCUSED! TRY ACTING MORE LIKE A TEAM WITH VIORA, DON'T THROW YOURSELF AWAY.

**GEO-MAN**

AARGH AARGH!

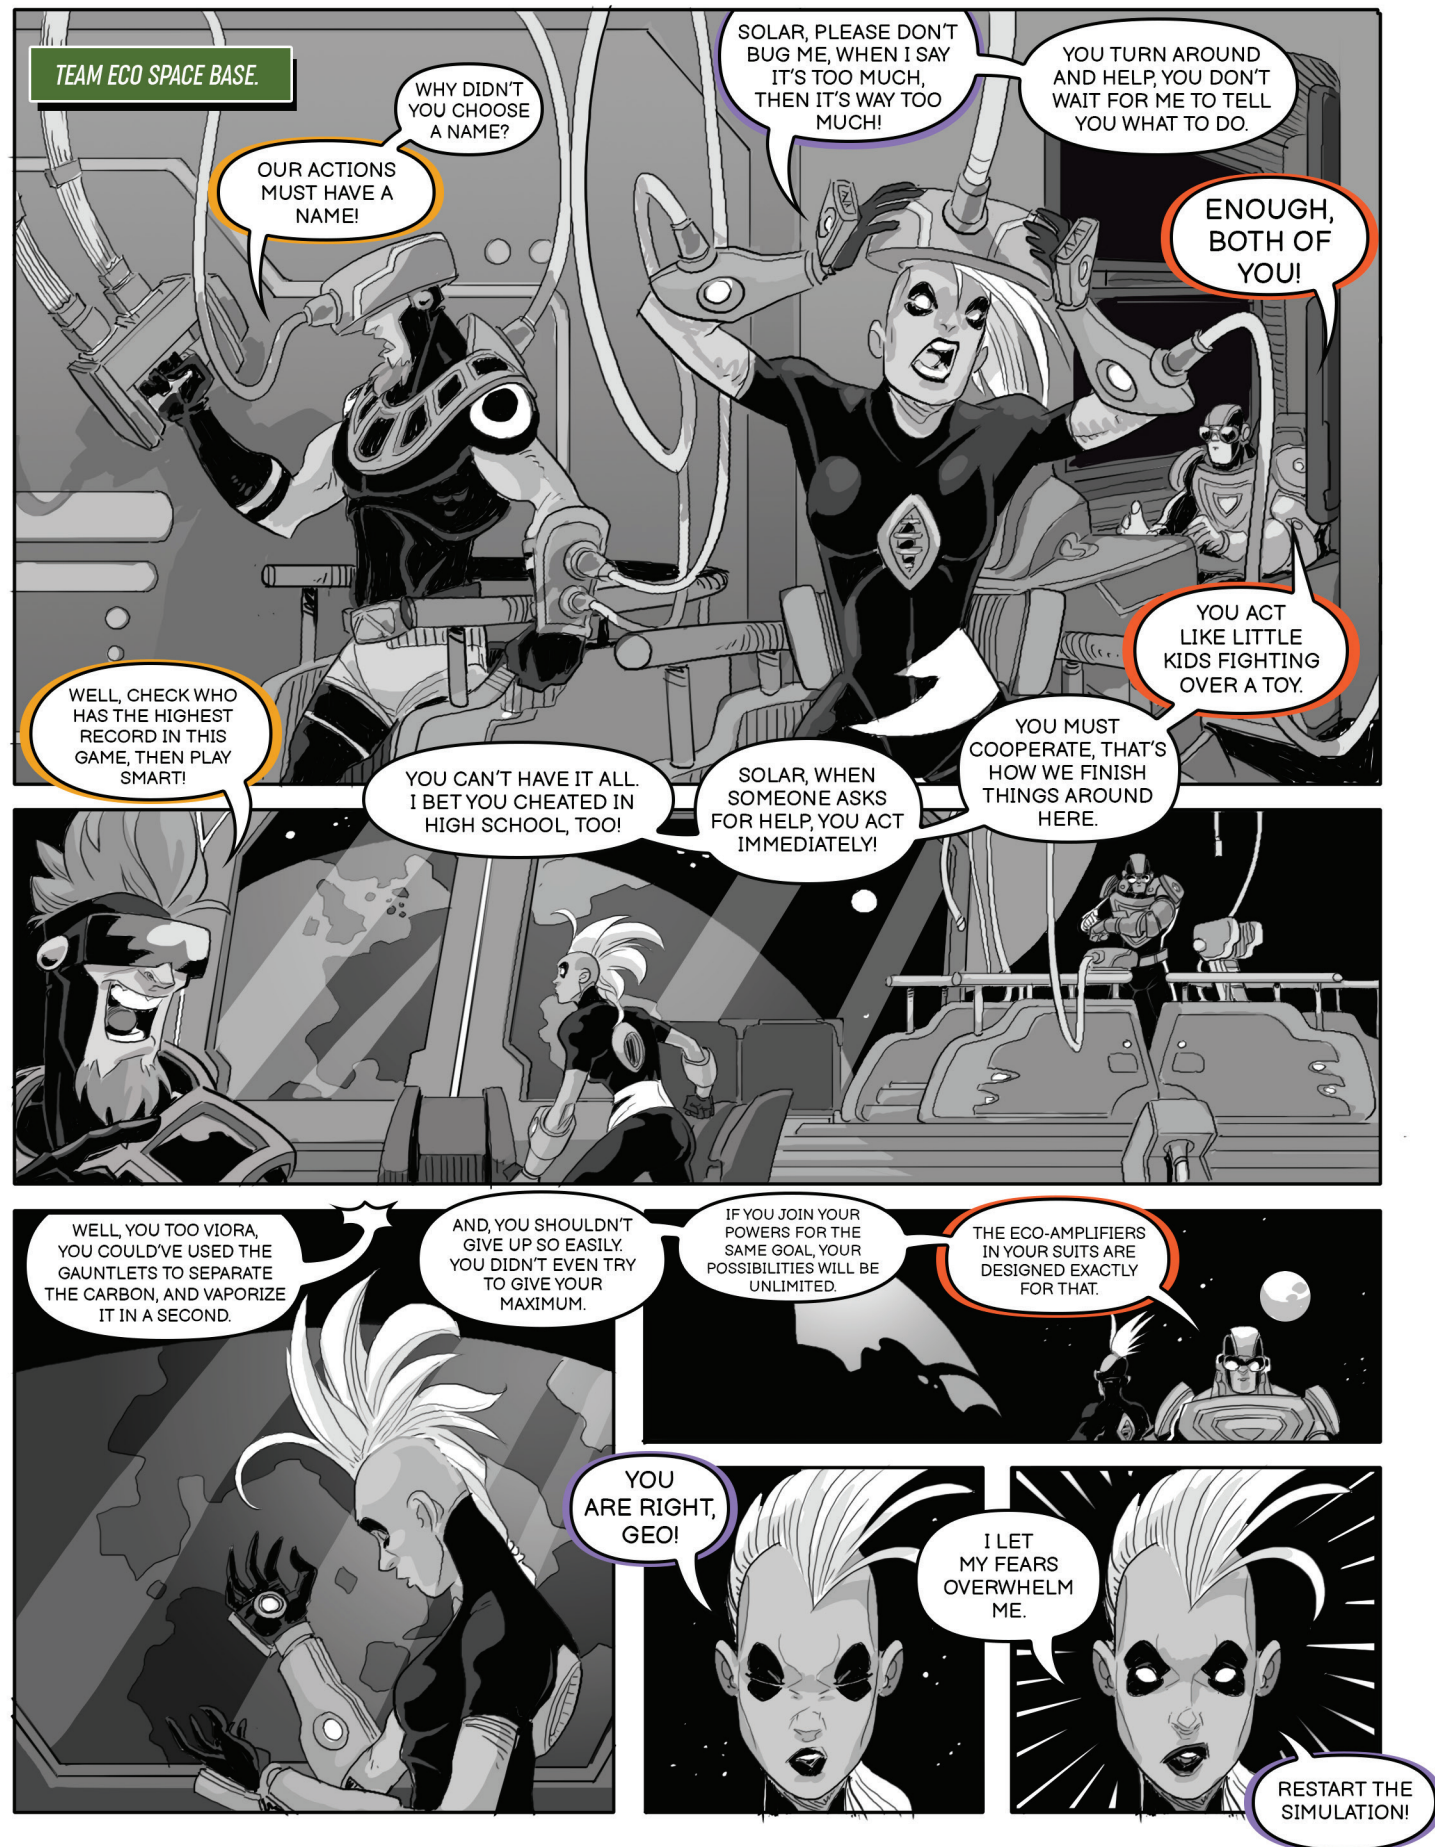

VIORA, LISTEN TO ME CAREFULLY!

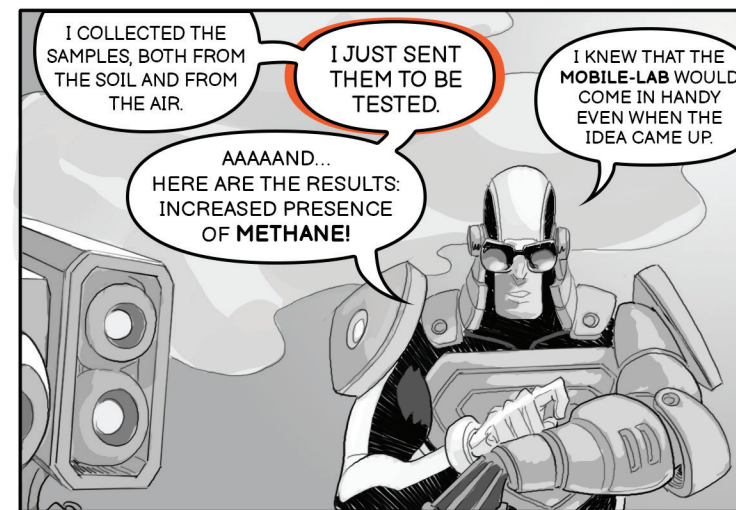

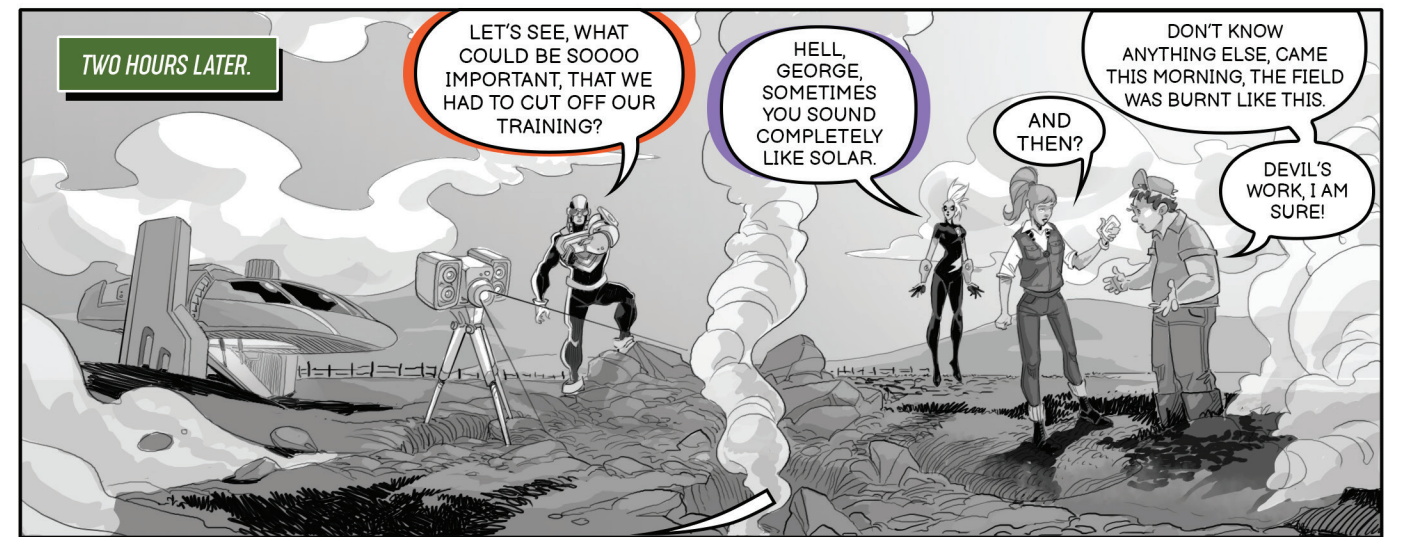

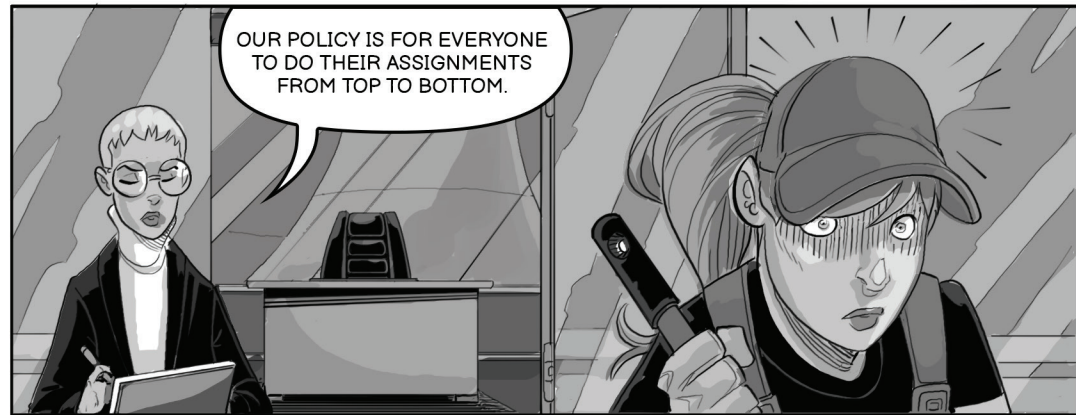

USE ALL YOUR POTENTIAL. USE ALL THE POWER THAT YOU POSSESS.

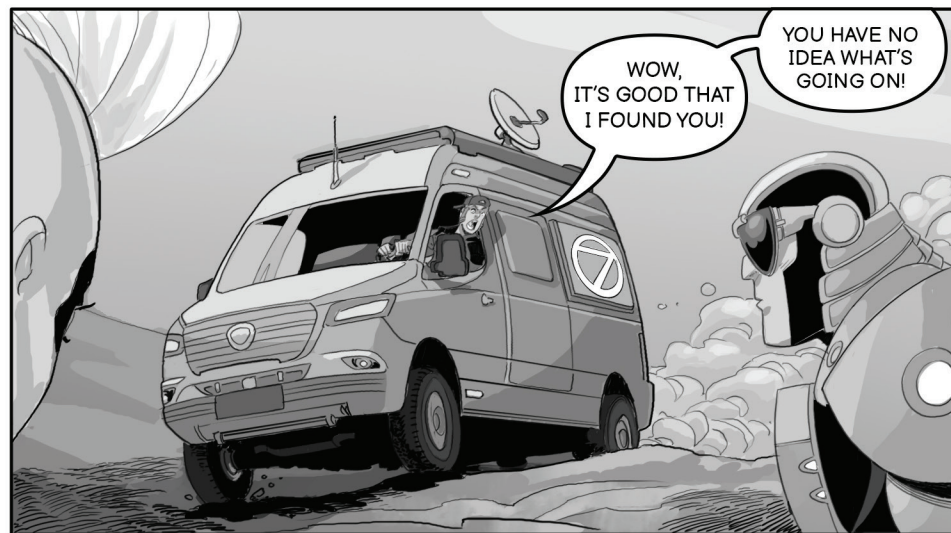

NOOOOOO...

**VIORA**

STOP THE SIMULATION!

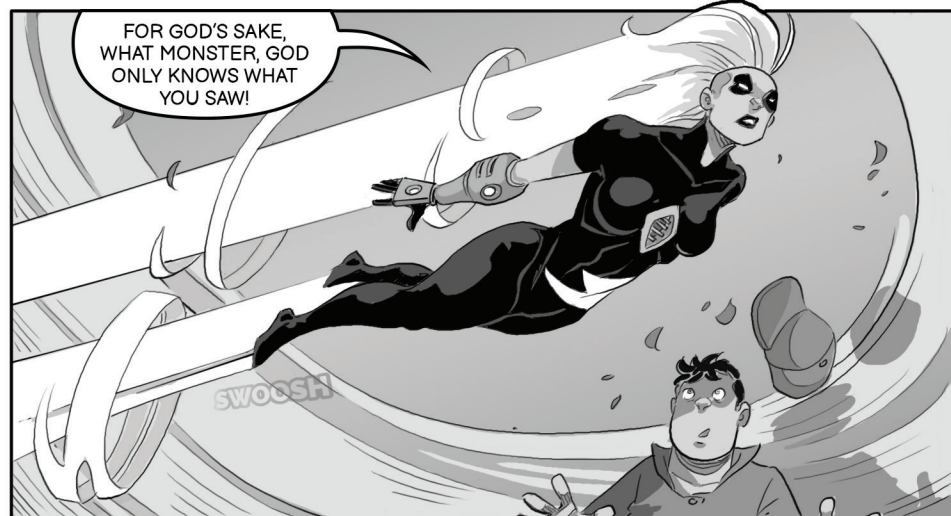

WOW, IT'S GOOD THAT I FOUND YOU!

YOU HAVE NO IDEA WHAT'S GOING ON!

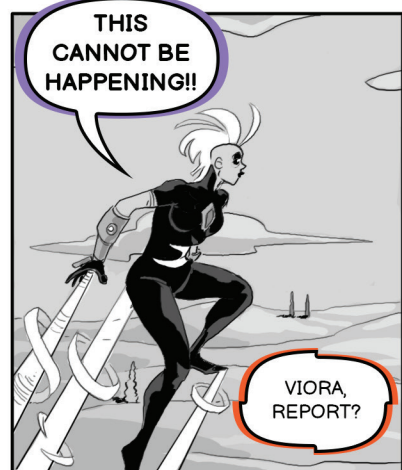

I WAS PASSING BY THE SOLAR FIELD, AND WHAT DO I SEE - A MONSTER!

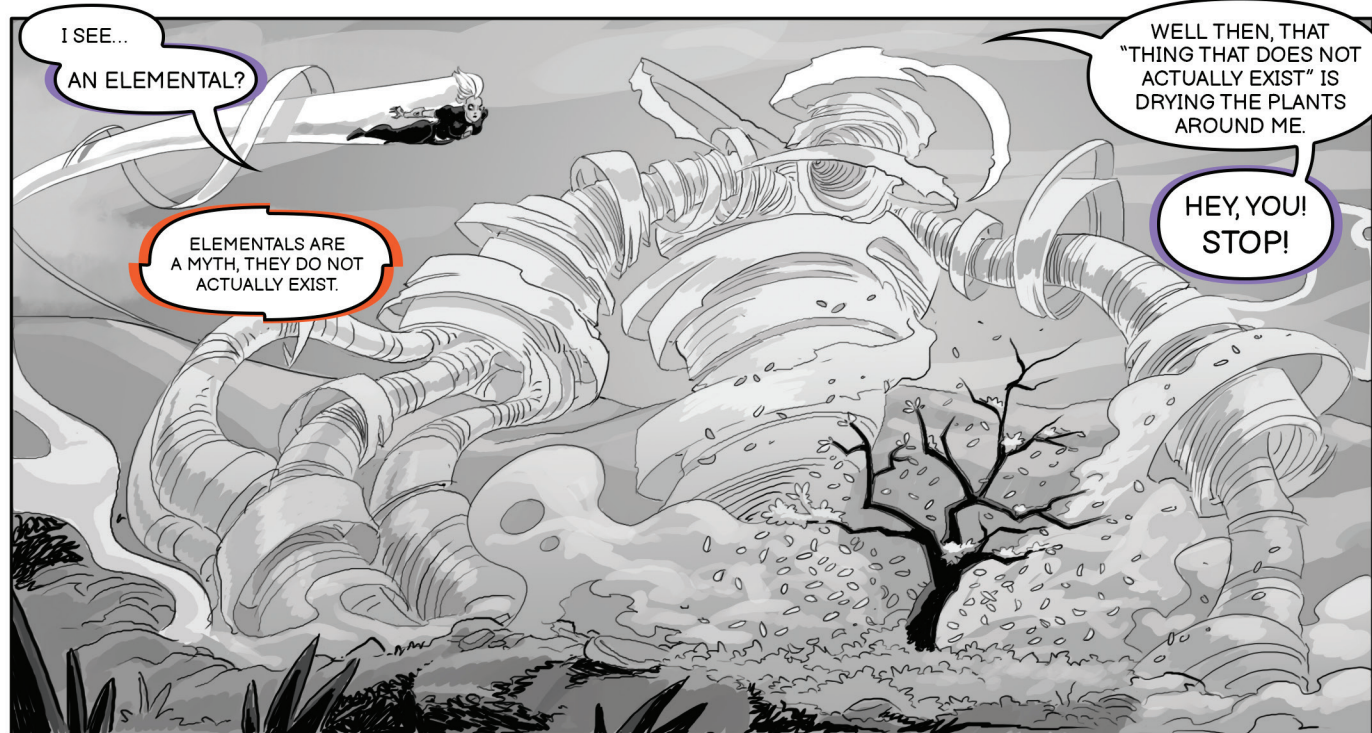

FOR GOD'S SAKE, WHAT MONSTER, GOD ONLY KNOWS WHAT YOU SAW!

SWOOSH

THIS CANNOT BE HAPPENING!!

VIORA, REPORT?

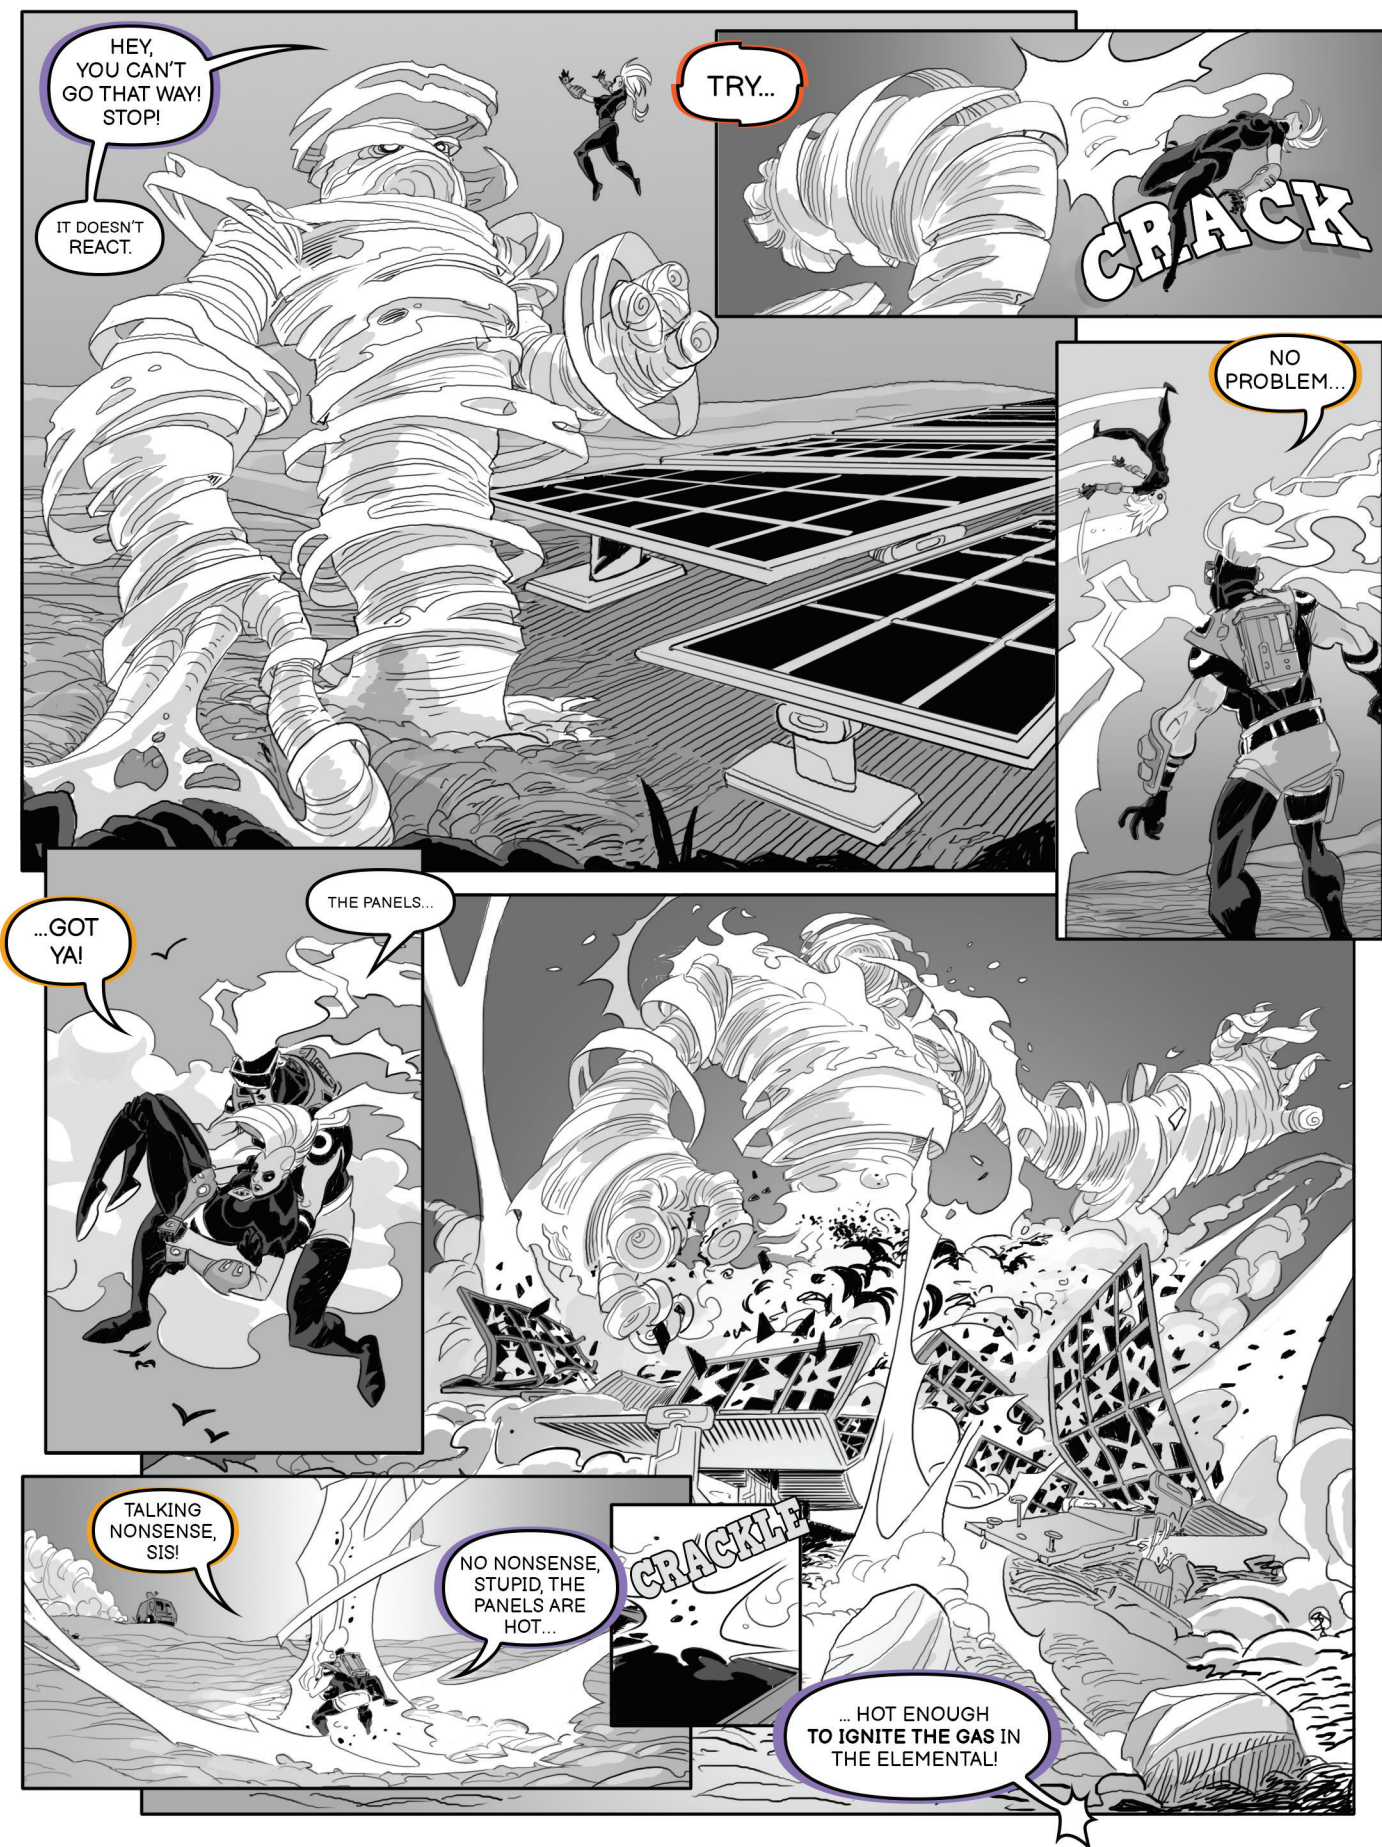

I SEE... AN ELEMENTAL?

ELEMENTALS ARE A MYTH, THEY DO NOT ACTUALLY EXIST.

WELL THEN, THAT "THING THAT DOES NOT ACTUALLY EXIST" IS DRYING THE PLANTS AROUND ME.

HEY, YOU! STOP!

HEY, YOU CAN'T GO THAT WAY! STOP!

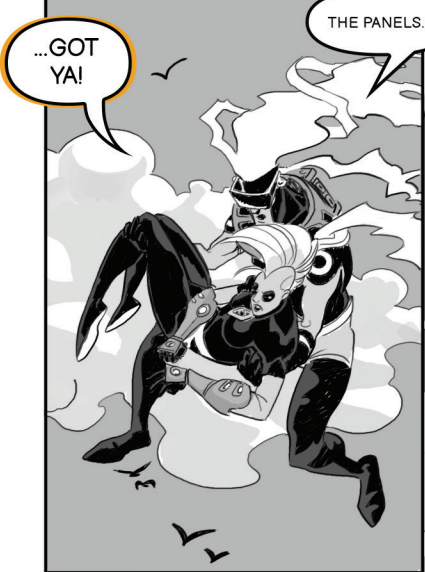

IT DOESN'T REACT.

TRY...

CRACK

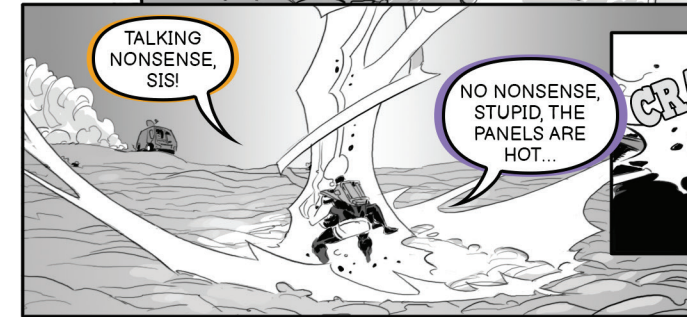

NO PROBLEM...

...GOT YA!

THE PANELS...

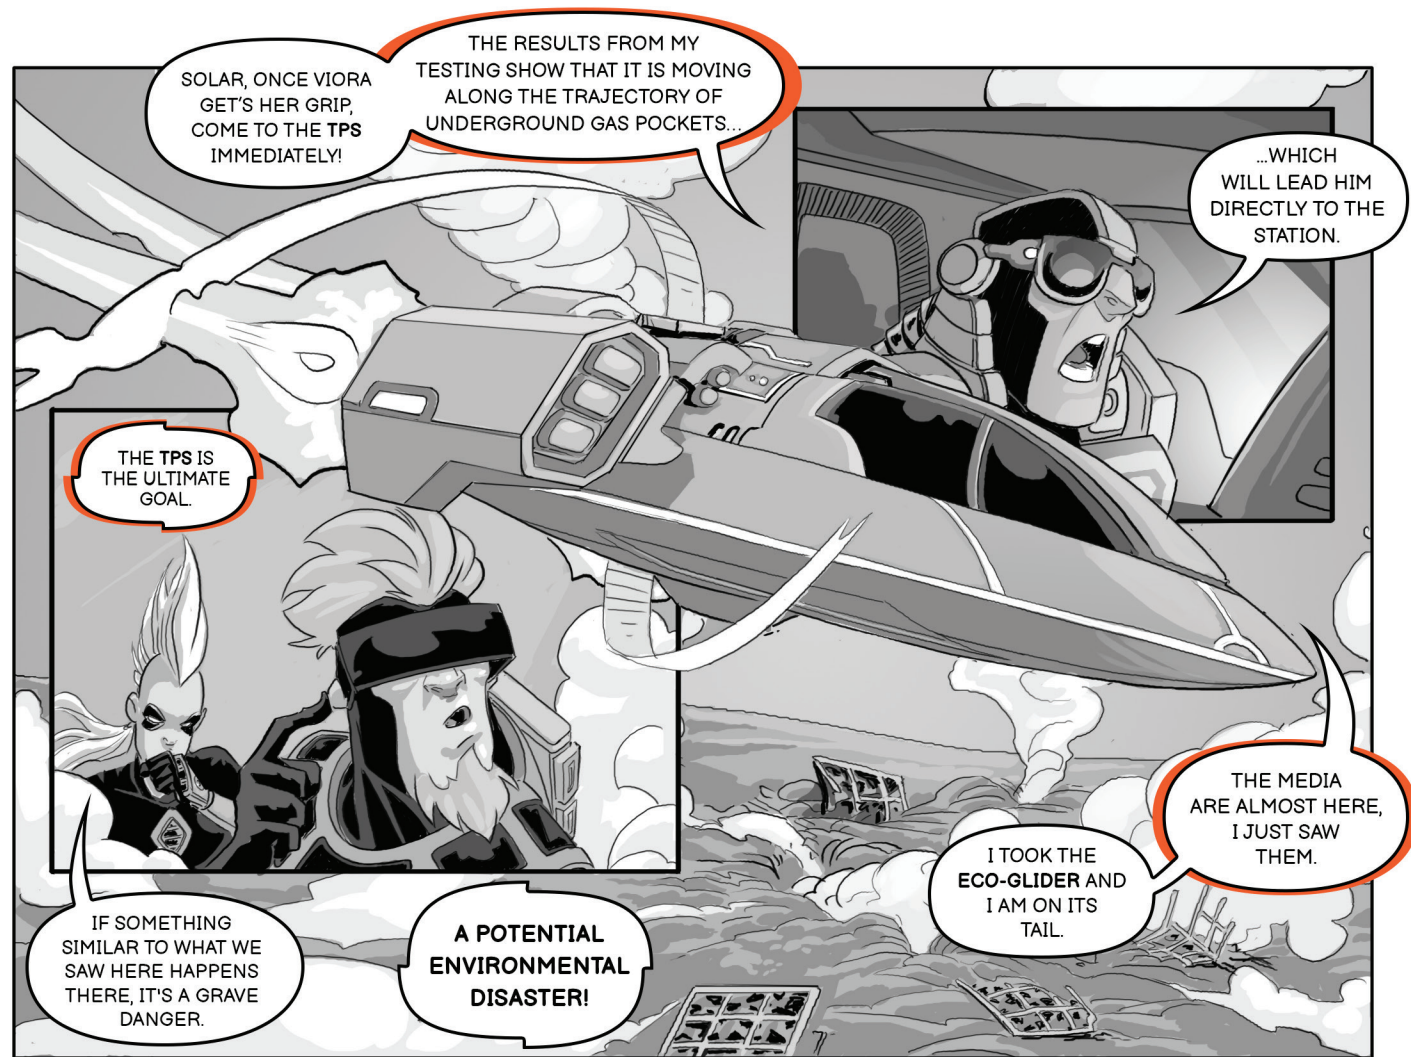

TALKING NONSENSE, SIS!

NO NONSENSE, STUPID, THE PANELS ARE HOT...

CRACKLE

...HOT ENOUGH TO IGNITE THE GAS IN THE ELEMENTAL!

SOLAR, ONCE VIORA GET'S HER GRIP, COME TO THE TPS IMMEDIATELY!

THE RESULTS FROM MY TESTING SHOW THAT IT IS MOVING ALONG THE TRAJECTORY OF UNDERGROUND GAS POCKETS...

...WHICH WILL LEAD HIM DIRECTLY TO THE STATION.

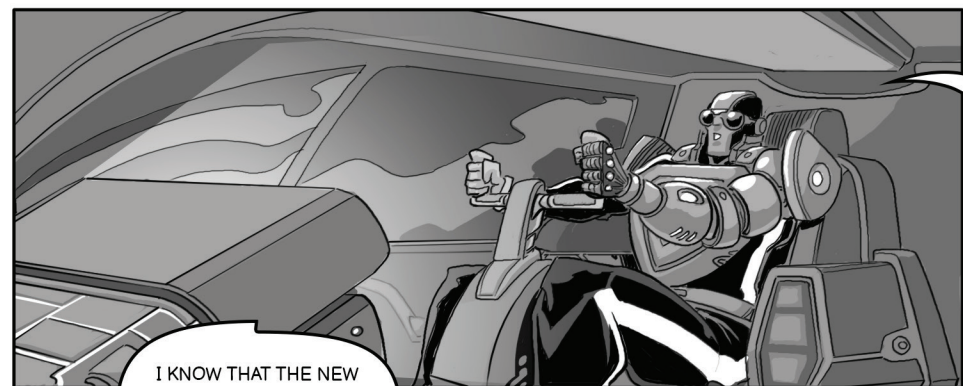

THE TPS IS THE ULTIMATE GOAL.

IF SOMETHING SIMILAR TO WHAT WE SAW HERE HAPPENS THERE, IT'S A GRAVE DANGER.

A POTENTIAL ENVIRONMENTAL DISASTER!

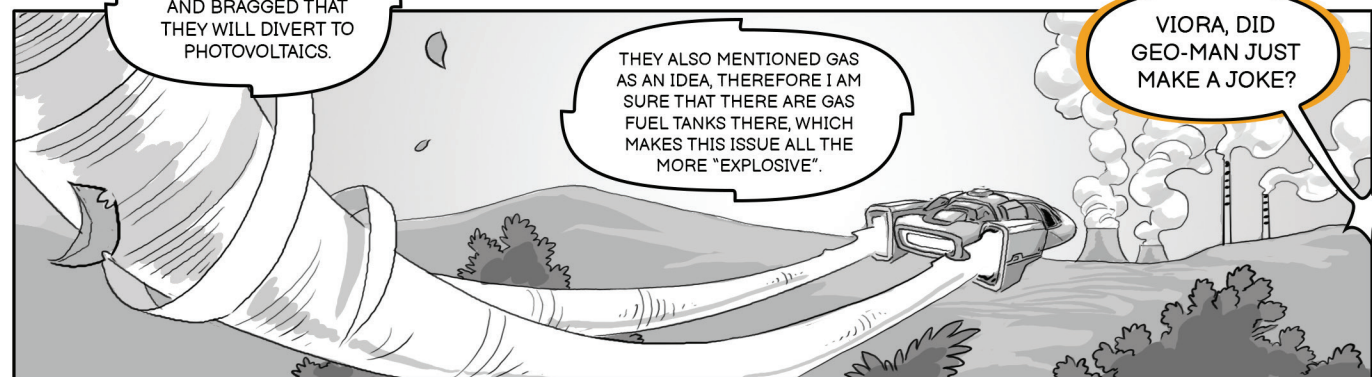

I TOOK THE ECO-GLIDER AND I AM ON ITS TAIL.

THE MEDIA ARE ALMOST HERE, I JUST SAW THEM.

IN ORDER FOR YOU TWO TO ARRIVE FASTER, TRY TO TELEPORT VERY CLOSE TO THE STATION. HERE, I SCANNED THE TERRAIN ON MY WAY THERE, I CAN SEE A LARGE CONCENTRATION OF GASSES.

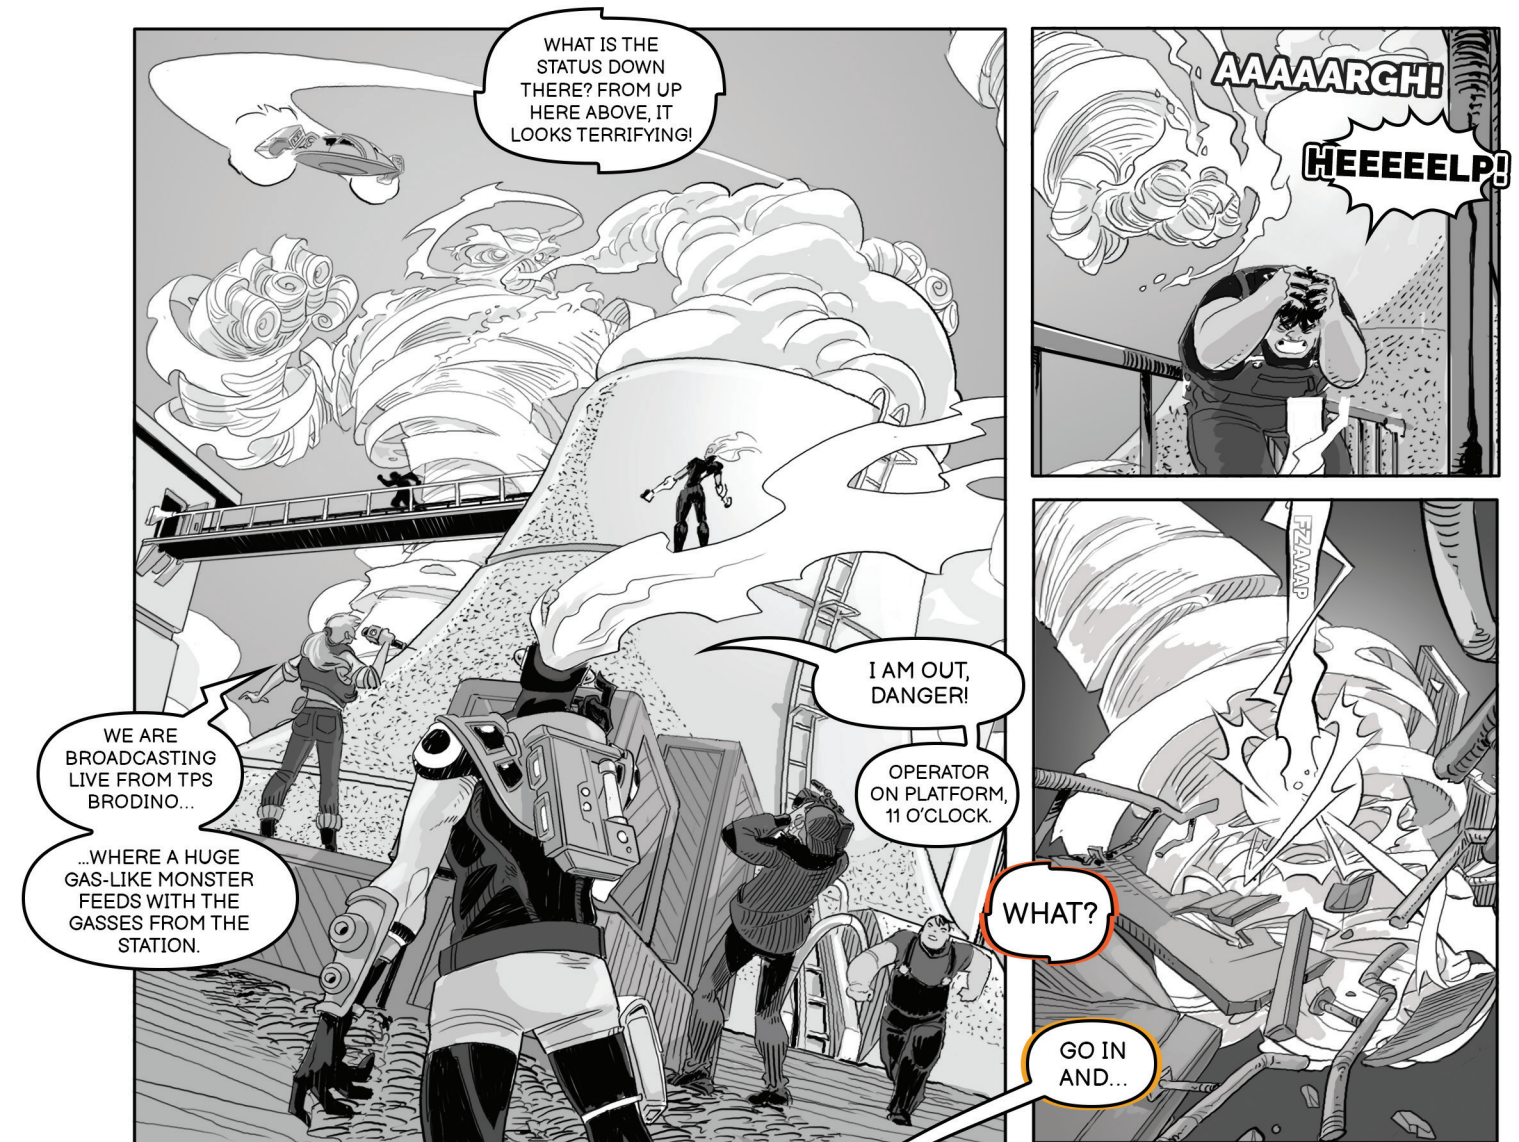

AS IT MOVES - IT ENLARGES. IT SUCKS THE GAS OUT FROM THE EARTH. PREVIOUSLY, NEAR THE PANELS, WE SAW IT LOSE JUST A SMALL PORTION OF ITSELF. IT'S ON IT'S WAY TO "FEED".

I KNOW THAT THE NEW DIRECTOR PLANNED AND BRAGGED THAT THEY WILL DIVERT TO PHOTOVOLTAICS.

THEY ALSO MENTIONED GAS AS AN IDEA, THEREFORE I AM SURE THAT THERE ARE GAS FUEL TANKS THERE, WHICH MAKES THIS ISSUE ALL THE MORE "EXPLOSIVE".

VIORA, DID GEO-MAN JUST MAKE A JOKE?

WHAT IS THE STATUS DOWN THERE? FROM UP HERE ABOVE, IT LOOKS TERRIFYING!

AAAAARGH!  
HEEEELP!

WE ARE BROADCASTING LIVE FROM TPS BRODINO...

...WHERE A HUGE GAS-LIKE MONSTER FEEDS WITH THE GASSES FROM THE STATION.

I AM OUT, DANGER!

OPERATOR ON PLATFORM, 11 O'CLOCK.

WHAT?

GO IN AND...

...RUN!

YOU'RE SAFE HERE.

SOLAR, TAKE CARE OF THESE PEOPLE, MAKE SURE EVERYBODY EVACUATES AS FAR AWAY AS POSSIBLE.

TOO LATE, OLD MAN, I'M ON IT ALREADY!

YOU SEE, I DON'T ALWAYS WAIT FOR COMMANDS FROM THE TWO OF YOU.

WHAT IS IT NOW?

HEY, YOU!

WHAT ARE YOU DOING TO MY STATION?

I DON'T THINK IT'S WISE FOR YOU TO GO OUT THERE, SIR.

STOP THAT IMMEDIATELY!

WHAT THE HELL ARE YOU DOING HERE ANYWAY? GET THE HELL OUT.

LEAVE THIS STATION NOW!

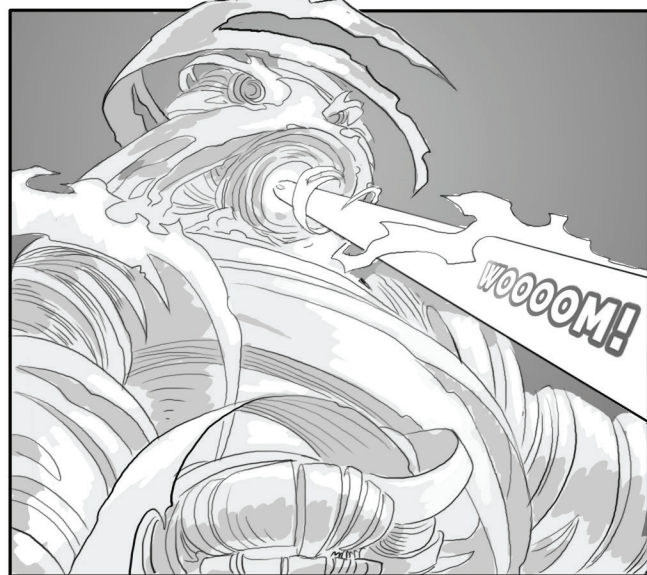

YOU ARE IN THE WRONG PLACE, YOU... YOU...

WHATEVER THE HELL YOU ARE!

WHO DO YOU THINK YOU ARE? DO YOU KNOW WHO I AM? IF YOU ARE HUGE, YOU THINK YOU CAN SCARE...

...ME?

BOOOOM!

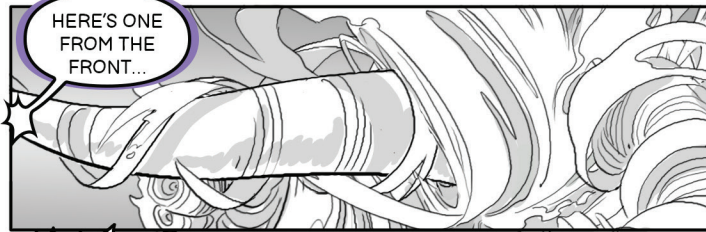

BADA BOOM!

MOVE AWAY, MAN!!!

WHAT... WHAT HAPPENED? WHAT WAS THAT? MS. SPARKS, WELL YOU...

YOU CAN THANK ME LATER!

HERE'S ONE FROM THE FRONT...

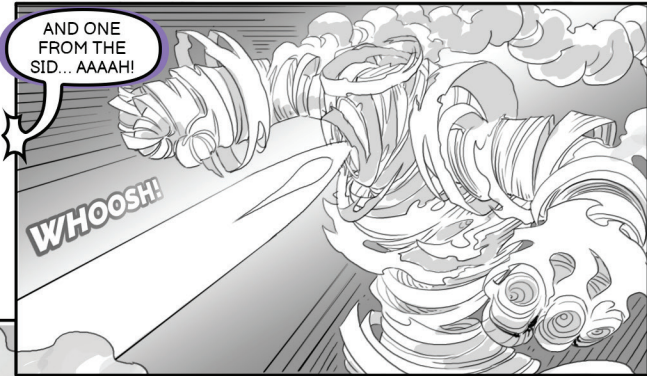

OOOOUCH!

VIORA, JUST KEEP IT AWAY FROM THE TANKS.

MY VORTEXES WILL STOP IT!

AND ONE FROM THE SID... AAAAH!

WHOOSH!

VIORAAAA!

ARE YOU OK?

HANG ON, I'M COMING!

I WILL SEPARATE IT WITH WALLS!

IT STUCK ME IN A CLOUD, I CANNOT SEE ANYTHING, LET ALONE TEST IT FOR POISONS.

SOLAR? VIORA? DO YOU HEAR ME?

IT'S NOW OR NEVER, VIORA!

I MUST...

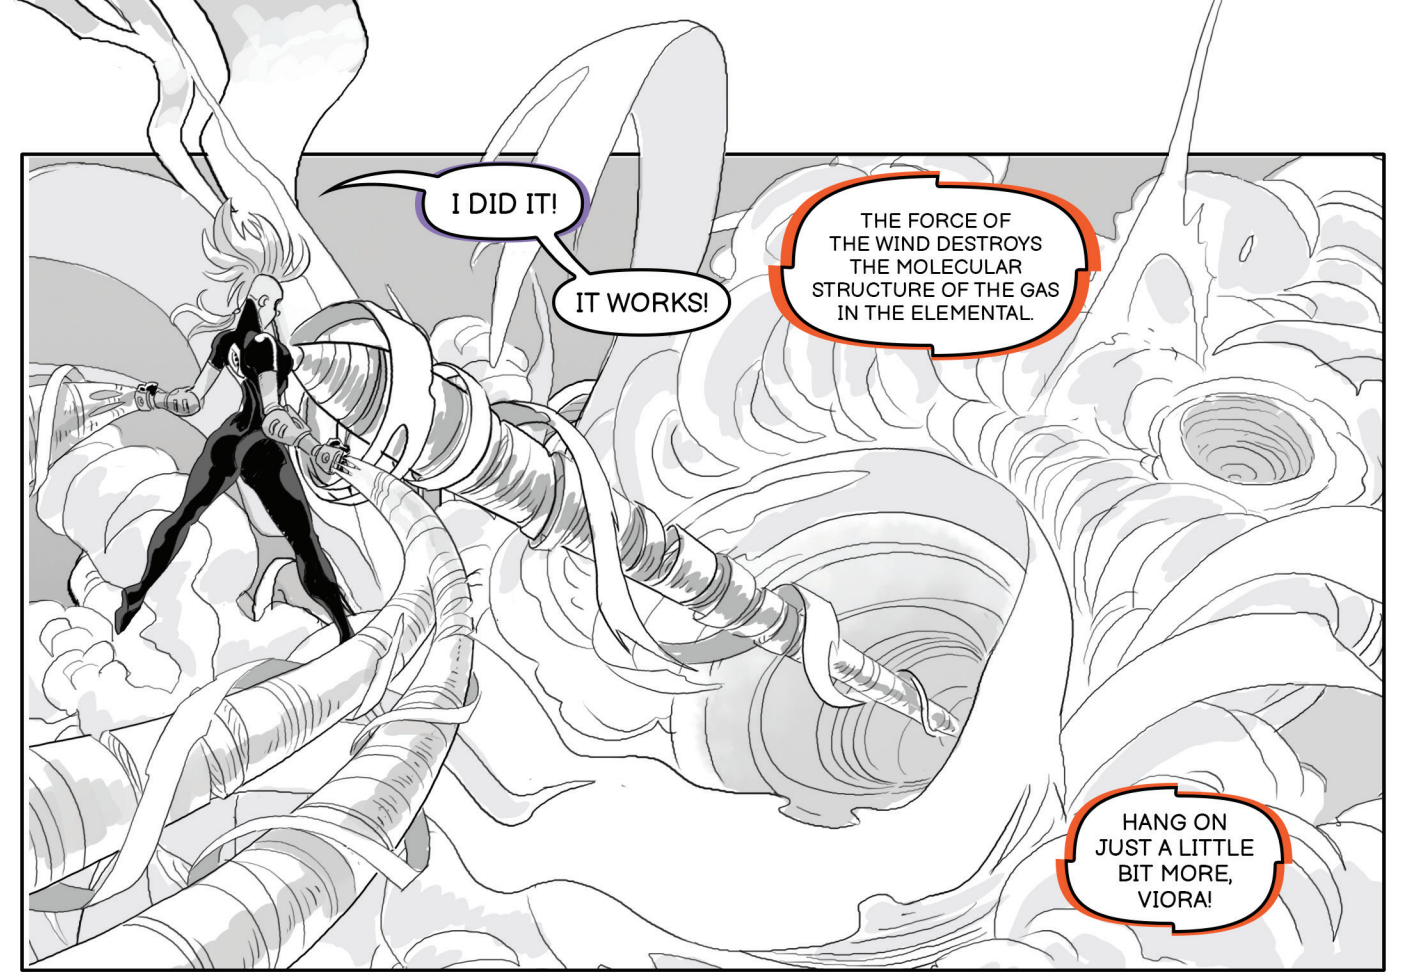

GATHER ALL THE POWER...

OF THE WIND!

THAT'S IT, VIORA!

GIVE YOURSELF TO THE WIND.

GIROV

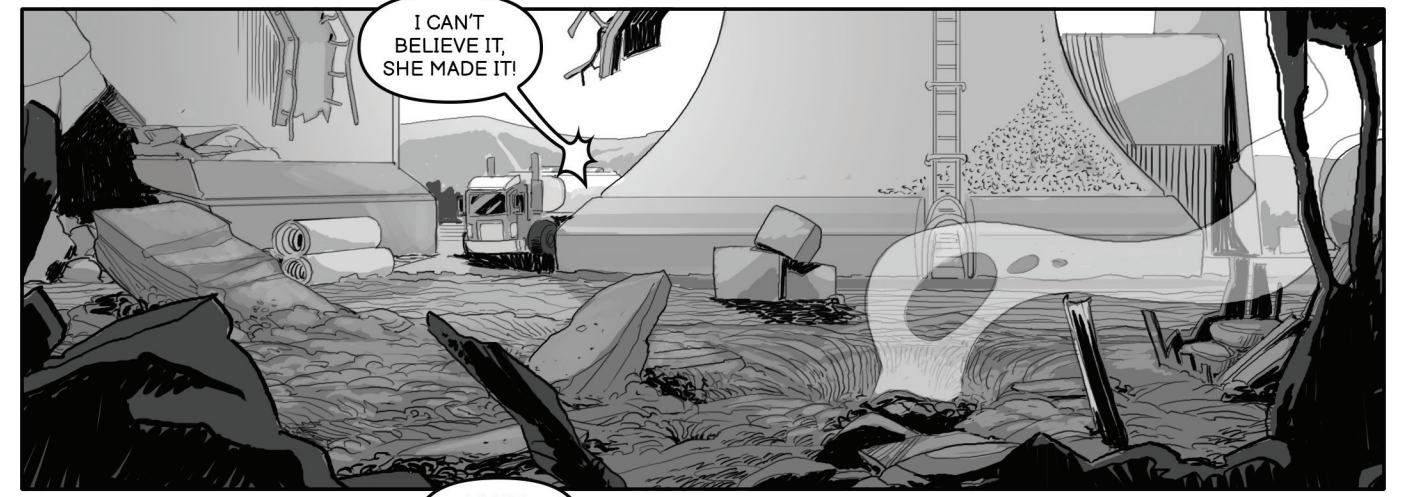

I DID IT!

IT WORKS!

THE FORCE OF THE WIND DESTROYS THE MOLECULAR STRUCTURE OF THE GAS IN THE ELEMENTAL.

HANG ON JUST A LITTLE BIT MORE, VIORA!

I CAN'T BELIEVE IT, SHE MADE IT!

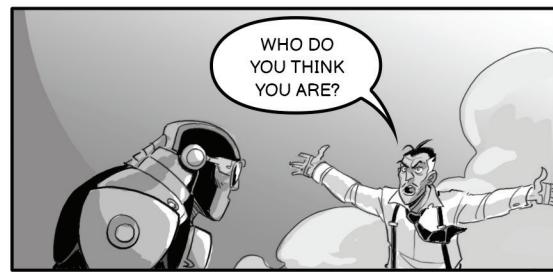

THERE YOU GO, GIRL!

VIORA, I KNEW YOU'D MAKE IT.

NO TRACES OF THE ELEMENTAL THE DANGER IS GONE.

BUT, MR. GAS...

MS. SPARKS, LEAVE ME ALONE! HEY, YOU!

WHO DO YOU THINK YOU ARE?

YOU HAVE NO RIGHT TO BE HERE. LOOK AT WHAT YOU DID TO MY STATION.

EVERY MINUTE THAT THE STATION DOES NOT PRODUCE ENERGY COSTS MY COMPANY MONEY.

AND I'LL MAKE SURE THOSE WILL COME OUT OF YOUR POCKETS!

MY LEGAL TEAM WILL HAVE FUN STRIPPING YOUR ECO-OFFICE TO THE LAST SCREW.

MS. SPARKS, CALL THE LEGAL DEPARTMENT.

CALL THEM YOURSELF.

I BEG YOUR PARDON?

YOU HEARD ME WELL, MR. MANAGER.

OR MAYBE THE EXPLOSION THAT I SAVED YOU FROM HAS DAMAGED YOUR HEARING?

YOU ARE RESPONSIBLE FOR THIS COMPLETE MESS WE ARE ALL IN!

YOU'VE GONE CRAZY. PLEASE... COME TO YOUR SENSES...

I AM CRAZY FOR LETTING YOU HIRE THOSE ROGUE DIGGERS TO DO YOUR DIRTY WORK.

I AM CRAZY FOR TRYING TO CONVINCE YOU TO SEE THE BIGGER PICTURE.

THE WORLD IS CHANGING. IT'S JUST STUPID TO USE FOSSIL FUELS. THEIR USE IS BOTH ENVIRONMENTALLY AND ECONOMICALLY UNACCEPTABLE.

WE HAVE THE RESOURCES TO MODERNIZE THE "OLD GIANT", MR. GAS. THAT'S WHAT I'VE BEEN SAYING FOR YEARS.

MAYBE IT WILL NOT BE EASY, BUT AREN'T WE THE ONES THAT HAVE THE ABILITY TO CHANGE SOMETHING RIGHT NOW?

ARE YOU QUITE FINISHED?

JUST THINK ABOUT ALL THE NEW JOB OPPORTUNITIES THAT WILL OPEN.

BY USING THE INEXHAUSTIBLE ENERGY SOURCE, SUCH AS THE SUN AND THE WIND, OUR FUEL PURCHASE COST DECREASES.

THE POSSIBILITIES ARE ENDLESS!

AND GEOTHERMAL ENERGY.

YOU ARE RIGHT. I WAS MISTAKEN FOR NOT LISTENING TO YOUR ADVICE SOONER, MS. SPARKS.

I WILL USE ALL OF THE AVAILABLE RESOURCES TO MAKE THE OLD GIANT "GREENER".

THIS I PROMISE YOU!

**CHANGES IN THE STATION**  
TPS WILL BECOME A SOLAR STATION

THIS WAS THE ANNOUNCEMENT OF THE DIRECTOR OF THE THERMAL POWER STATION, RIGHT AFTER THE CATASTROPHIC ATTACK ON IT.

**REPORTING**  
**LYDIA GAZETTE**

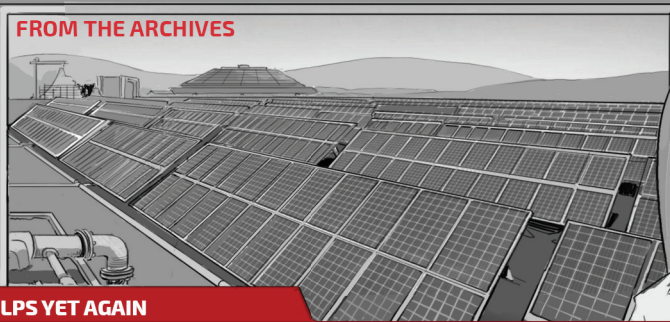

ONCE THE DAMAGE IS REPAIRED, MR. GAS PROMISED TO START THE PROCESS OF DECARBONIZATION AND FOCUS ON SOLAR ENERGY.

**MR. GAS:**  
WE WILL BECOME THE FIRST SOLAR STATION IN THE REGION.

**FROM THE ARCHIVES**

**TEAM ECO HELPS YET AGAIN**  
**THE SOLAR FIELD IN USE AGAIN AFTER THE ATTACK**

AS PART OF THE REPAIRS AND IMPROVEMENTS, REMEDIATION IS PLANNED FOR THE LAND AROUND THE STATION. AS WE REPORT, DAMAGE MITIGATION IS ALREADY UNDERWAY, WHICH IS A HUGE STEP TOWARDS CLIMATE CHANGE ADAPTATION.

IT IS EXACTLY EIGHT, THAT'S WHAT WE AGREED ON, RIGHT?

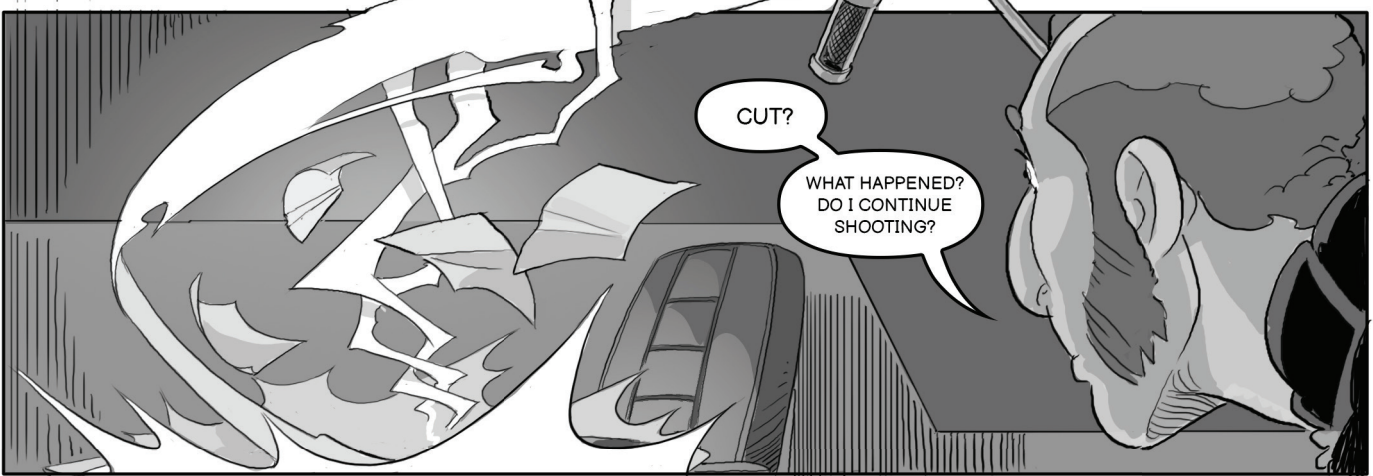

**ACTIVE CITIZENSHIP**  
**THE VOICE OF CITIZENS MUST BE HEARD AND TAKEN INTO ACCOUNT**

THE EMPLOYEE RE-EDUCATION PROGRAM WAS A GREAT SUCCESS FOR THE LOCAL COMMUNITY. THE SMALL ORGANIC FOOD FARMS ALREADY HAVE EXCELLENT SALES OF THEIR LOCAL PRODUCE ON THE MARKET VIA COOPERATIVEES...

OH, SOLAR, WE ARE BROADCASTING LIVE!

**THE NEW VICE MANAGER OF THE TPS**  
150 NEW EMPLOYMENTS IN THE ENERGY SECTOR

CUT?

WHAT HAPPENED? DO I CONTINUE SHOOTING?

**THE END**
